Dear Michelle,

On behalf of Adopt-a-School Foundation, I would like to thank Gauteng Women in Insurance for your donation of R R8, 400.00. This donation contributes to the work of the Foundation; the aim of which is to create and enhance conducive teaching and learning environments in disadvantaged schools across the country.

The key objective of the Adopt-a-School Foundation is to implement Whole School Development – a holistic model aimed at improving the academic, infrastructural, social and security environment in schools. Adopt-a-School Foundation has 443 schools adopted throughout South Africa, as well as in Mozambique and Lesotho under its adoption programme. With your support we can continue to deepen our impact and further our reach.

Thank you for your belief in our vision that good education is a critical driver of social and economic development.

Kind regards

Steven Lebere
