Thank you to the Gauteng Women In Insurance members for the donation made towards Wings of Inspiration NPC

Wings of Inspiration NPC has been so blessed over the past few months.

Wings of Inspiration NPC would have never achieved the success stories, if it had not been for true friends and supporters like you. The world is in the throes of an economic meltdown – and yet we have been able to survive, knowing we can depend on Him and His Disciples. We wish to thank you. We would never have achieved our goals if it had not been for you and words can never express our sincere gratitude and appreciation.

It is on behalf of our children that we wish to thank you from the bottom of our hearts, for opening up your own hearts and contributing to their life's, their futures and their mental, spiritual and physical well-being.
