2022 CALENDAR

In 2022, Gauteng Women in Insurance (GWII) hopes to offer our usual broad array of networking events, CPD seminars, Mix `n Mingles and Leaderwalks. Of course, such events can only be offered circumstance-permitting.

“GWII is proceeding to plan the 2022 calendar, knowing that there are still uncertainties around potential restrictions related to the pandemic. One of the key objectives of the GWII is to provide a platform for our members to network, which is why we have adopted a hybrid model to the 2022 calendar. GWII have catered for both in-person and virtual events allowing us the flexibility to readily adapt to a full virtual capability if required. Our in-person events will follow all required protocols to ensure the safety of our members. We have an exciting line up of events that will cater for the development and enhancement of women in our industry and look forward to seeing an increase in our membership and participation in our events through this hybrid model,” said incoming GWII President, Catherine Naidoo.
