GWII Mix & Mingle – Quiz Night

Gauteng Women in Insurance (GWII) hosted its popular online lockdown quiz night, on Thursday 15 April, with main sponsor, Discovery Insure.

With family and friends in tow, teams (consisting of friends and family members quarantined in one house or spread over the world) were in for fun and laughter... taking the boredom out of a lockdown evening... [Read more](#)

Devastating financial gender gap has grown: Women are better investors, but retire with 30-40% less than men

A different kind of gender gap is playing out in investments where the overwhelming majority of investors are men, despite studies that indicate women make better investments... [Read more](#)

Research: women are better leaders during a crisis

Are women in fact more qualified to lead during a crisis? Could that be why they are handed the reins when times are tough? During the Covid-19 crisis, we've heard anecdotally about women leaders doing a better job and new research backs that up... [Read more](#)

Slaying financial planning

Do you know what your net worth will be in 5 years' time? Do you know how much you would need to survive on if you lost your job today? Do you know what your dream wedding will cost? Do you know the exact date on which you will pay off your debt? The answer to this question is easy; proper financial planning. Let's break down what financial planning is all about. Often times, people get intimidated by the words... [Read more](#)

What women need to think about when starting a family?

Starting a family is a big milestone. Unfortunately for women, starting a family does carry a price tag; women often have to take maternity leave, and, in many instances, this means taking a pay cut for a couple of months until they get back to work... [Read more](#)

Cope better with menopause

All women will go through menopause. How we cope with its symptoms however, may differ. Here are some useful suggestions on how to cope better with some menopausal symptoms. Remember that you should always see your doctor if you are unable to cope with any of the symptoms. Try to determine... [Read more](#)

Legal Talk: Discriminating against pregnant women

There have been plenty of horror stories about how women have lost their jobs, been actively pushed out of companies, or treated unfairly because they've fallen pregnant. However, there is basic legislation in place that protects them from unfair labour practices because they happen to

be carrying a baby. According to Nicol Myburgh, Head: CRS Technologies there are loops... [Read more](#)

2021 CALENDAR

Gauteng Women in Insurance (GWII) is proceeding with its 2021 calendar, with the full knowledge that events may have to be postponed or delivered as online events. We hope to offer our usual broad array of networking events, CPD seminars, Mix 'n Mingles and Leaderwalks. Of course, such events can only be offered circumstance-permitting, and in adherence with lockdown requirements. See calendar [here](#)
