

Promoting the networking of women who work in the short term insurance industry in Gauteng, South Africa.

WOMEN 2 WOMEN

The view from the shore... a journey of profound change

Gauteng Women in Insurance welcomed members to its first event of the year, at The Venue, Houghton, with Swiss RE as the main sponsor, and Aon and Emerald as co-sponsors. Guest speaker, Penny Bird, shared a story that inspired... [Read more](#)

Career women – success stories.... Sandra Hutchison at Genasys Technologies

Celebrating successful women for all their hard work and effort creates a pathway and steppingstone for aspiring women who seek guidance, motivation and inspiration.

Gauteng Women in Insurance (GWII) recently chatted to **Sandra Hutchison, Head of People at Genasys Technologies** about her journey and career in the financial services industry, how she balances personal and work life and what advice she would give to women in the industry. She told us that her... [Read more](#)

What is causing the 'exhaustion epidemic'?

Chronic tiredness has become such a common complaint that doctors in the UK have named the condition TATT – Tired All The Time Syndrome. However, a busy schedule may not be the only reason why we're sleepwalking through our lives... [Read more](#)

A financial fitness test for women (and everyone)

As the new year gains momentum, many of us are focused on getting in shape – not just physically, but also in terms of our financial health. It’s a time for taking stock, seeing how we could be managing our money better and reassessing long-term goals. When it comes to financial health – women have a perspective shaped... [Read more](#)

What do I do if I have an abnormal mammogram?

Let’s face it – mammograms are uncomfortable and awkward. The last thing you want to hear after having one is that something is “abnormal,” and the doctor wants a repeat mammogram or a more complete “work-up”. But don’t panic, this doesn’t mean you have breast cancer, it simply means there is something more... [Read more](#)

Striving to be Superwoman? Stop! Your Health Depends on It!

How often have you heard women say they are striving to “have it all?” I hear it all the time. And what does it mean? It means being a fantastic mother, great wife, partner and powerhouse in your career, all at the same time... [Read more](#)

Legal talk: Unemployment Insurance Benefits

When an employee loses his/her job or is unable to work for a short period of time due to certain circumstances, for example, illness or pregnancy, s/he may be faced with a hard time financially. The Unemployment Insurance Fund (UIF) aims to help by providing unemployment insurance benefit payments to certain employees during their time of unemployment... [Read more](#)
