### **GWII hosts Mix n Mingle - Sassy Salsa Night**

To spice things up, Gauteng Women in Insurance (GWII) hosted a Mix n Mingle - Sassy Salsa Night, with main sponsors Discovery and Hollard.

Joined by salsa dance instructors from Salsa Addicts, members dressed in their best dancing gear with a touch of RED lipstick... for a night of fun and dancing.

Off to the dance floor they went... [Read more](#)

### **4 ways that women can lead authentically**

Women aren't always true to themselves. In a vain attempt to live up to organizational norms and expectations, their behaviors sometimes go against their own values. The alternative to this predicament is authentic leadership... [Read more](#)

## What's really holding women back?

Scholars of gender inequality in the workplace, are routinely asked by companies to investigate why they are having trouble retaining women and promoting them to senior ranks. It's a pervasive problem. Women made remarkable progress accessing positions of power and authority in the 1970s and 1980s, but that progress slowed considerably in the 1990s and has stalled completely in the century

What holds women back at work is not some unique challenge of balancing the demands of work and family but rather a general... [Read more](#)

## The exhaustion epidemic

Exhausted? Join the club! Chronic tiredness has become such a common complaint that doctors in the UK have named the condition TATT – Tired All The Time Syndrome. However, a busy schedule may not be the only reason why we're sleepwalking through our lives... [Read more](#)

## Why women are more susceptible to some diseases than men are

A study has found a reason why women are more susceptible to some diseases than men and it may change the way diseases are treated... Did you know that women get autoimmune diseases, such as multiple sclerosis, lupus and rheumatoid arthritis eight times more than men... [Read more](#)

## Cope better with menopause

Declining estrogen levels associated with menopause can cause more than those pesky hot flashes. They can also make women feel like they are in a constant state of PMS (premenstrual syndrome). Unfortunately, these emotional changes are a normal part of menopause... [Read more](#)

## Legal talk: Duties of an executor of a deceased estate

During a person's lifetime s/he will gather assets, in other words, belongings such as a house or a motor vehicle. A person will also gather liabilities, in other words, credit such as a home or motor vehicle loan. These assets and liabilities will form part of a person's estate. At the death of that person, his/her deceased estate must be administered... [Read more](#)
