### How to make your 2021 vision board work for you

A vision board is a great way to keep track of your goals and stay motivated. After a year of sucker-punches and unexpected plot twists; a vision board is also a great way to remind future you what is important and what the bigger picture is when you hit a speed bump. So, how do you make your 2021 vision board work for you? Here are the tips... [Read more](#)

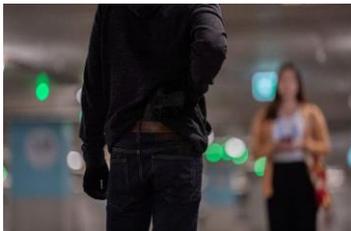

### How to empower women around you

Do you know that people (subconsciously) judge you according to how you talk about others? If you're nice to people, but talk smack behind their back, the people around you are taking mental notes, and will come to associate the negative things you say about others with you. In other words, there's a selfish payoff to talking with kindness... [Read more](#)

## The urgent need to address gender imbalances in the workplace

Although South African women are making great strides within the workplace, corporate South Africa has more work to do to effectively transform boardrooms. The COVID-19 pandemic has further exposed deep-rooted inequalities in social, political and economic systems, and has demonstrated the importance of... [Read more](#)

## Women are under attack! Protect yourself in everyday situations

Gender-based violence is another 'pandemic' that is targeting South African women. You need to know how to protect yourself. We are constantly aware of our vulnerability, and our need for self-defense. We try not to walk on the streets alone... [Read more](#)

## Affirmations to help you 'reset' your inner voice

What does your internal voice sound like? Who do you hear talking to you when you do something great, or when you mess up? As we become older, we realize that our internal voice often belongs – or is heavily influenced by – the people who surrounded us growing up. For those of us with a particularly critical inner voice... [Read more](#)

## Spread good vibes only

It's easy to be negative, but negativity is like a drug: the more you indulge, the harder it becomes to stop. Also, it leaves you feeling pretty bad. Ditch the bad attitude, and make a commitment to spreading good vibes only! Spreading kindness is the quickest, easiest way to positively impact the lives around you, and... [Read more](#)

## Legal Talk: harassment and protection orders

What is harassment? When a person's behaviour is so extreme, abusive or rude that it causes harm to another person or makes another person believe that s/he will suffer harm. This may include mental, psychological, physical or financial harm. Harassment may be caused, for example, by a person following, communicating with, watching, or bothering another person or...
