GWII Mix 'n Mingle – a fun afternoon of bowling

Gauteng Women In Insurance (GWII) rallied up the ladies for a Mix 'n Mingle fun filled afternoon of bowls, sponsored by iTOO, at the Killarney Country Club on 13 September. On

arrival, the ladies were treated to refreshing welcome drinks and a scrumptious light lunch, followed by a quick lesson in bowls. Feeling empowered with what the coaches had said, it was off to the greens where all the hard work started... [Read more](#)

GWII CPD session inspires women to lead

Gauteng Women in Insurance (GWII) welcomed members to a Continuing Professional Development (CPD) session, proudly sponsored by Discovery Insure, on 12 September. With the theme of 'creating, inspiring and leading', the session saw keynote speakers inspire women to... [Read more](#)

Through the eyes of three generations

FAnews sought after the experiences of women in the insurance industry, through the eyes of three generations; a Baby Boomer, Generation X and Millennial. They gave us insight into the challenges and opportunities they currently face as women in the insurance industry, in their different generational categories and... [Read more](#)

Health screening tests for women: What and when

If prevention is better than cure, why do we often procrastinate about going for health screening tests? Taking preventive health measures is relevant in every decade, but the risks increase with age. From our twenties into our sixties, here is a list of recommended health screenings for women... Delphine Maïdou finds her career purpose

Delphine Traoré Maïdou, Regional COO with Allianz Africa, talks about how she filters the distractions in her hectic work, education and family life and listens to those who believed in her... [Read more](#)

Five attributes of successful women leaders

Whether they are CEOs, scientists, entrepreneurs or venture capitalists, successful women often share a few

key characteristics that are worth taking note of. Communication is a foundational leadership skill, networking, negotiating and collaboration... [Read more](#)

Legal talk: Domestic violence

Domestic violence is where a person (“complainant”) is being harmed by another person (“respondent”) while they are in a domestic relationship. What will be considered to be domestic violence? What remedies are available to a complainant? Who can apply for a protection order?... [Read more](#)
