

Promoting the networking of women who work in the short term insurance industry in Gauteng, South Africa.

WOMEN 2 WOMEN

The graphic features a woman in a dark blue business suit with her arms crossed, smiling. The background is a mix of yellow and purple geometric shapes. The text 'WILD' is written vertically in large purple letters. The text 'WOMEN IN LEADERSHIP DEVELOPMENT PROGRAMME' is in purple and yellow. The year '2020' is written vertically in purple. The Gauteng Women in Insurance logo is at the bottom left. A list of three bullet points is in the center.

WILD **WOMEN IN LEADERSHIP DEVELOPMENT PROGRAMME** **2020**

- Develop key leadership skills and characteristics to become a world class leader.
- Develop a peak mindset to thrive despite circumstances and challenging environments.
- Develop business acumen to drive excellence in the marketplace.

Women in finance speak out for greater inclusion

The financial services industry has a reputation for being male-dominated. At a recent UCT event, some leading women in the industry convened for a frank discussion about the opportunities in the industry and the challenges it poses for women. They also offered advice to aspiring finance professionals on how to... [Read more](#)

Financial challenges facing the modern woman

Research by the World Health Organization suggests that women could live to up to eight years longer than their male counterparts. While having greater longevity than a man may seem great, it means that our investment or retirement funds will have to last longer too... [Read more](#)

Behavioural qualities that make women better investors

A recent study by the Warwick Business School found that women outperform men by 1.8%. Through a range of criteria, the study was able to ascertain a number of significant differences between the genders and their investment behaviours... [Read more](#)

The power of creating your own personal brand

Building a personal brand is one of the most important things you can do to set yourself apart from the rest of the pack. It's how well you communicate this brand to the world that will ultimately differentiate you from other professionals – this is particularly important for women... [Read more](#)

What self-care looks like for the sandwich generation

I don't have time to fall apart. There is too much relying on me... If anyone deserves to check out, I tell myself, I do. How about a cocktail or a pint of ice cream? But I don't know how to have just one, and to descend to that level of avoidance and self-pity... [Read more](#)

Legal talk: You have been accused of an offence

There are certain notifications that can be sent to a person, who allegedly committed an offence, and it is of utmost importance to understand what these different notifications mean. These notifications will inform the accused of the charge made against him/her and that s/he has to appear in court on a... [Read more](#)
