Career women – success stories... Malgorzata (Gosia) Bennett at Genasys

Celebrating successful women for all their hard work and effort creates a pathway and steppingstone for aspiring women who seek guidance, motivation and inspiration.

Gauteng Women in Insurance (GWII) recently chatted to Malgorzata (Gosia) Bennett, Solutions Developer at Genasys, about her journey and career in the financial services industry, how she balances personal and work life and what advice she would give to women in the industry... [Read more](#)

Taking control of their financial journey is key to empowering South African women

As a woman who enjoyed the thrills of marriage and having dual income, I never imagined that I was ever “One Decision Away” from being financially unstable. It was only when I found myself divorced with two sons... [Read more](#)

How lockdown has changed us

PURA Soda asked South Africans from all walks of life what they got up to during the lockdown. **70%** of people opened their fridges more than usual and **38%** gained weight during lockdown. The respondents spent almost **70%** of their time in lockdown wearing either pyjamas or tracksuit pants, **40%** felt anxious... [Read more](#)

WARNING: Vehicle crimes increase in SA

Anti-crime activist, Yusuf Abramjee has warned that vehicle crime is on the rise as criminals return to their activities with the rest of the country... Abramjee cautions drivers to be particularly vigilant and prepared in case of an emergency. He offers some advice on how to avoid becoming... [Read more](#)

Why women are more susceptible to some diseases than men are

Did you know that women get autoimmune diseases, such as multiple sclerosis, lupus and rheumatoid arthritis eight times more than men do? On the other hand, women have a smaller risk of getting non-reproductive cancers such as melanoma, colon, kidney and lung cancer... [Read more](#)

Legal Talk: Women's rights in business

Women have the same rights as everyone else in South Africa, for example, the rights to equal treatment in the workplace and to start their own businesses. Women in South Africa are highly encouraged to become entrepreneurs; however, a woman cannot start the right type of business without knowing what the different types are and how to start one...
